Sum--The hams kicked Stan out of the Club for overdoing the flirting, so Sandy speaks up.
>
>
>He was a flirt
There were girl-hams
>Can I make it anymore obvious?
>He liked to show off
And get all the fame
>What else can I say?
>He made the girls blush
The boys wouldn't tell
>Secretly, they hated him to hell
>All of the guys
Glared as he posed
>They had a problem with the way he was
>He was a skater-ham
They said "See you later, Stan."
>And kicked him right out of the club
They had a good reason

>But took it open-season
And treated him like he was crud

>
Winter from now
>They sit in silence
In the Clubhouse, and they're bored to death

>
They go to the hills
>Guess who they see
Stan 'n' me boardin' on mountain peeks

>
I walk over to them
>They stare at me
Hamtaro greets "Sandy, long time no see!"

>
I point for the Ham-Crew
>They all looked up
And watched the ham that they kicked out

>
He was a skater-ham
>They said "See you later, Stan."
And kicked him out of the club

>They had a good reason
But took it open-season
>And treated Stan like he was crud
>He was a skater-ham
They said "See you later, Stan."
>They thought he was just a flirt
He showed all those suckas

>And shook both his maracas
They now know he's more than dirt

>
Sorry, hams, you kicked him out
>So me and him just, like, hung out
I quit your stupid Club for him
>You caused this to happen
>Too bad you just didn't see
What kind of ham that flirt could be

>You should know a great amount
What's inside is what counts

>
He is my bro
>I am his sis
Can I make it anymore obvious?
>We stick together, through everything
Good or bad or anything

>
He was a skater-ham
>They said "See you later, Stan."
They thought he was just a flirt

>He showed all those suckas
And shook both his maracas
>They now know he's more than dirt
>And now we're really close
I say "See ya later, Bro!
>I'll soon be with you on the slope!
So while you tread the snow, I'm singing the song we wrote
>About the Ham-Hams we use to know!"
